MEDIA PACK 2021

MONDO*DR MEDIA PACK - 2021

mondo*dr is the international publication for technology in entertainment. Established in 1990, the magazine has held a presence in the international marketplace for 30 years, covering some of the most impressive installations around the world, from theatres to live music venues, clubs to theme parks, museums to cruise ships, and houses of worship.

Targeted at venues, distributors, dealers, installers and system integrators, mondo*dr provides unrivalled, in-depth editorial, read by the major decision makers and buyers worldwide.

With a print circulation of over 14,000 addresses in over 120 countries, as well as a digital reach in excess of 16,000, mondo*dr constantly works to build on its distribution

through a commitment of exhibiting at most international tradeshows and visiting emerging markets. mondo*dr is also the organiser of the mondo*dr Awards, launched in 2017 - the only awards event dedicated to recognising and celebrating entertainment installations.

Based at the world-famous Strawberry Studios in Stockport, where legendary bands including Joy Division, the Smiths and Paul McCartney recorded, the magazine has retained the legacy that was started by Peter Tattersall in 1968. Along with numerous ground-breaking albums recorded in the iconic building it now calls home, mondo*dr is proud to lead its own distinctive label of creative content.
